ITALY REDISM CALLED "JOKE"

Sovietism Laid to Effects of Post War Reconstruction Period.

UNLIKE RUSS SITUATION Government Rarely Orders Troops to Fire on Strikers.

By SAMUEL DASHIEL, Washington Herald-Public Ledger Service-Special Cable Dispatch.)

Rome, Sept .7 .- Despite reports to the effect that "all Italy is engulfed in Bolshevism," this country, generally speaking, is prosperous and happy. There are disturbances in some parts of Italy almost every day—demonstrations by Socialists, labor parades, protests and 24-hour strikes, all of which are regarded more or less as a "spectacle" by those not taking part. There are frequent clashes with the police and ccasional fatalities.

It is true that there was serious rouble last week in Florence, which city is well known for its radical thought Three men were killed and several wounded in a struggle between Carabineeri and a mob of 5,000 which protested Giolitti's agreement with George not to recognize Soviet Rus

It is explained that Italy and the Italian temperament are passing through a reconstruction period, and the government does not seriously interfere with demonstra-tions. Though it keeps the troops constantly in evidence, it does not attempt to wipe out the spirit of reseething in revolt and that the government is powerless against

government is powerless against the Red menace.

In truth the Red Flag is waving at this hour from many factories in many towns of Italy. But the red flag in Italy does not mean the same as the red flag in Russia. The red flag in Italy means there is experiment in communism going on in the factory—labor leaders tell you that frankly—and like most of ou that frankly-and like most of he attempts to take the plants, all and in failure when they fail to provide raw materials.

Strikes of Short Duration.

A dispatch appeared in the Paris
edition of a middle western newsappear saying the longshoremen of
Genoa had seized all shipping in
the harbor, planting machine guns and were willing to mount cannon and shell the Italian navy if necessary. That is not only untrue, but more harmful to Italy than the so-called Red menace. Italian bankers of and business men complain that
